

Name _____ Grade _____

1) Color-Music is an activity for you to explore color, sound and rhythm. Here is an Instructional Video: <https://youtu.be/SGfXNu-rThc>

2)) Listen to this song. The girl is using American Sign Language, which is a way for people to talk to each other even if they can't hear very well.

3) Make up nonsense rhymes with all of your favorite colors. You can sing, clap your hands and make up motions, signs or signals to go with your nonsense rhymes. Here are some examples:

"I think that I'll wear red – to eat my jam and bread!"

"I think I'll wear pink to help me think!"

"I like to wear yellow because it makes me mellow!"

"I think I'll wear black because I'll get a snack."

4) Act out your rhymes in a video and send it to jtrent@smtschool.net

5) If you want to, you can color this French Horn and make it beautiful. It is a musical instrument that is made of brass metal. Do you like Harry Potter? The French Horn playing Harry Potter sounds like this: <https://youtu.be/HHA9Ad8hj5I>
